Nimbus Labs - Leave Policy

HR-POL-001, version 3.2, effective 1 January 2026

1. Purpose and scope

This policy explains the types of leave available to permanent employees of Nimbus Labs in India, how leave is accrued, and how to apply for it. Contractors and interns follow the terms in their contracts.

2. Annual leave

Permanent employees are entitled to 24 days of annual (privilege) leave per calendar year, accrued at 2 days per completed month of service. Employees in their first year receive leave pro rata from their joining date. Annual leave is counted in working days; weekends and public holidays inside a leave period are not deducted.

3. Carry forward and encashment

Up to 10 days of unused annual leave can be carried forward to the next calendar year. Any balance above 10 days lapses on 31 December. Carried-forward leave must be used by 31 March of the following year. Leave encashment is only available on resignation or retirement, for a maximum of 30 days, calculated on basic salary.

4. Sick leave

Employees receive 12 days of paid sick leave per calendar year. Sick leave does not carry forward. A medical certificate is required for sick leave of more than 2 consecutive working days. Sick leave may be applied retrospectively within 7 days of returning to work.

5. Casual leave

Employees receive 6 days of casual leave per year for personal matters. Casual leave cannot be combined with annual leave and may be taken for a maximum of 3 consecutive days.

6. Applying for leave

Leave is applied for through the HR portal or the HR Copilot, and is approved by the reporting manager. Annual leave of more than 3 working days must be applied for at least 2 weeks in advance. Requests are considered approved only after the manager approves them in the system. Managers should respond to leave requests within 3 working days.

7. Parental leave

Birthing parents are entitled to 26 weeks of paid maternity leave, in line with the Maternity Benefit Act. Non-birthing parents, including adoptive parents, are entitled to 4 weeks of paid paternity or partner leave, to be taken within 6 months of the birth or adoption.

8. Other leave

Bereavement leave: up to 5 working days for the loss of an immediate family member. Marriage leave: 5 working days, once during employment. Leave without pay may be granted for up to 3 months with HR business partner and department head approval.
